Consumer Warranty – Force H3X series Smart Energy Storage System

1. Consumer Laws

If you acquire the Product from an Authorized Reseller in Territory and the Consumer Law applies, the Product comes with guarantees that cannot be excluded under Territory laws.

The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Product which You have under the Consumer Law or any other law that cannot be excluded.

2. Product Warranty

Pylontech warrants that the Product will remain free of defects caused by improper workmanship or defective materials.

This warranty continues for a certain period of years from the earlier of:

1. the date of installation of the Product; or
2. six (6) months after the date the Product was manufactured,

This warranty does not include any accessories and tool kit items provided with the Product.

This warranty only covers the repair or replace of a defective Product. Pylontech will repair or replace the Product if the Product is defective and returned during the Warranty Period. The repaired or replaced product will continue the original remaining warranty period. In either case it shall not justify as a renewal of the warranty period.

3. Warranty Conditions

The warranties in respect of the Product only apply if the Product:

1. is purchased from Pylontech or an authorized Reseller in the Territory;
2. has the official Pylontech serial number;
3. is installed in a battery system in the Territory;
4. is installed, operated and maintained in accordance with the Product Instructions.

4. Claim

Claims can be made to the Authorised Reseller from whom the Product was purchased or from Pylontech directly.

You must, within 48 hours of a defect being discovered, notify Pylontech of a claim by:

1. if You registered the Product, completing the claim form on the Pylontech website; or
2. if You did not register the Product, completing the warranty card provided with the Product at the time of purchase and either emailing a copy to Pylontech at the below email address, or delivery or emailing the warranty card to the Authorised Reseller from whom the Product was purchased.

In order to claim under this Warranty, You must:

1. present the certificate of warranty declaration in its original form;
2. submit the invoice for the procurement of the Product indicating the date of delivery; and

3. provide the Pylontech system log data recorded by the Product as an indication of whether or not the Minimum Capacity has been achieved (but this would not be determinative).

To make a claim to Pylontech directly, please contact:

Address: No.300, Miaoqiao Road, Kangqiao Town, Pudong New Area, Shanghai, China

On behalf to make a faulty claim, please fully read and clarify the warranty terms in advance. Then let the onsite engineer fully fill the information required in this card, sign and send back to Pylontech or their authorized distributor.

1. Distributor name: _____

2. Energy storage system location: _____

3. Inverter and battery serial number: _____

4. Plant ID: _____

5. Date of faulty happened: _____

6. Faulty description:

cannot be turned on, Cannot be connected to the grid, The off-grid port cannot be used, PV cannot be used, The battery cannot be recharged,

The battery cannot be discharged, The APP shows that the connection is dropped,

Bluetooth won't connect, The upgrade failed, Fault/ALM on, The LED does not light up,

others: _____

7. Inverter type: _____

8. Whether the inverter has undergone a power upgrade: _____

9. How long had the system been used?

Dead on arrival, Faulty after installation Under 6 months,

6 months to 1 year, 1 year to 3 years, more than 3 years.

10. The operating mode and load usage of the inverter at the time of the failure?

11. How often did the faulty happen?

Once or twice, three times or more, Every day,

other:

12. If the screen is normal, check the current fault code Or the fault reported by the battery on the APP:
13. Whether the inverter is connected to the network and always online? and whether an online ticket has been submitted?
14. Use a multimeter to measure the voltage of each port and confirm that the circuit breaker is working properly:
PV voltage:_____ Grid voltage_____ Back-up Voltage_____
- Battery Voltage: _____(You can remove the controller and test voltage through the battery terminals directly)
15. Please attach all necessary photos or videos of, for instance, battery and inverter SN label and front panel as evidence to the faulty claim.

Please attach all the information required above to send back to Pylontechor their authorized distributor. Fail to submit any information required may lead to a lacking of information of processing the claim.
